

## M3 Meeting Minutes

June 2, 2014

### ATTENDANCE:

Pete Bergstrom (Pres), Gary Hunt (VP), Lee Anderson, Bill Maiden, Jim Wiggin, and two whose names were missed.

The meeting was held at the hangar. Pete called it to order about 7:15.

### TREASURER'S REPORT:

About \$2000. 19 more paid memberships vs. last month. \$42 for field maintenance, \$8 for dumpster, \$3 for mower.

### OLD BUSINESS:

- 1) 300-400 estimated attended Monticello Movie Night. The club earned \$66.00. Mark Fitzgerald and Pete Bergstrom did some flying demos for the crowd.
- 2) AeroTow this past weekend. Four full-size gliders were stored at Eli to make room at the airport. Pilots started arriving on Wednesday to fly. 45 registered pilots. Pete had not counted the money yet due to family matter.
- 3) Runway Repair: Pete will contact Mike H. about having this addressed soon.
- 4) Training: We need someone or a few people to take the helm of training nights on Wednesdays. Andy Kunz took control of this in years past but commitments on Wednesday nights will not allow him to continue in this capacity. If we cannot get a few members or member to take leadership in this role, the club will discontinue this program. Please consider giving a few hours on Wednesdays for this program. It is a great way to bring the general public our field as well as bring in new members and in general is a great community service.

### NEW BUSINESS:

None.
