September 14, 2015

## **ATTENDANCE:**

The meeting was held at at Eli Field. Nate called it to order at 7:05.

## **TREASURER'S REPORT:**

The account has \$11,889.94.

Planemasters.com sent the club \$100. They would like to be mentioned on our "sponsors" page, and would like to be involved with the jet meet next year.

## **MISC BUSINESS:**

A quote for \$4063 was received for continuing the leveling/tiling/reseeding effort for the grass runway area.

Nate will take care of sharpening the mower blades.

October 10 we will host an FPV quad race. Aaron Shell will be coordinating this.

October 24/25 we will host a construction meet. Nate will take care of this.

The runway still needs to have the cracks properly filled. This should be handled before the weather turns.

Winter trailer storage - \$100 for 1 Nov to 1 May for trailers 24' and shorter (measured from the hitch). Longer vehicles \$150. Nate is going to investigate anti-mouse options available to us. The mice are destroying stuff in the hangar, not to mention the health hazard.

## **NEXT MEETING:**

The meeting was closed at 7:25.

The next meeting will be Monday, October 5 at 7 PM at Hardees, unless somebody would like to host it in their home (Show and Tell).

Respectfully,

Andy Kunz
