

M3 Meeting Minutes

November 2, 2015

ATTENDANCE:

Nate Thompson (Pres), Chris Huhn (Treasurer), Andy Kunz (Sect), Ali Machinchy, Ian Kunz, Chris Puckett, Dustin Buecher, David Payne.

The meeting was held at at Hardees. Nate called it to order at 7:05.

TREASURER'S REPORT:

No balance was available.

OLD BUSINESS:

Work for leveling/tiling/reseeding effort for the grass runway area will begin this week.

Nate will take care of sharpening the mower blades.

The runway still needs to have the cracks properly filled. This should be handled before the weather turns.

The trailer storage space is mostly taken. Winter trailer storage - \$100 for 1 Nov to 1 May for trailers 24' and shorter (measured from the hitch). Longer vehicles \$150.

NEW BUSINESS:

Craig and Jimmy will be moving the engine test table out of the way. They will keep the doorways accessible.

Ali is investigating methods of suspending aircraft from the rafters. The intent is to have them away from the mice to prevent damage, yet still accessible when they want to fly. This is a long-term project, as the trailers make access to the rafters impossible for the winter.

Candidates for offices: Greg Wright was nominated for President. No nominations were received for VP, Secretary, Treasurer, or Safety Officer. Elections will be at the December meeting. It is important to attend AND to nominate people for office!

NEXT MEETING:

The meeting was closed at 7:35.

The next meeting will be Monday, December 7 at 7 PM at Monicals, unless somebody would like to host it in their home (Show and Tell).

Respectfully,

Andy Kunz
